Dear Karl Hilliard, 2/14/79

Sorry could not respond to your undated note or thank you for the copy of your warm pamphlet earlier.

I'm staying busier than one person can in FOIA litigation to get the stuff out.

Book list enclosed.

How do you expect to pay for the TSBD?

Or persuade Dallas County to sell it after they've gone to all the trouble to buy it from what I understand?

Best wishes,
